Why TravelStar®?

Life has a way of interrupting our best laid travel plans. When it does, you want to know you're covered. Whether it's a medical emergency, an unexpected trip cancellation or stolen baggage, TravelStar® from Group Medical Services keeps you covered.

What happens in case of a medical emergency?

Many Canadians travel without emergency medical insurance, mistakenly believing that government health programs cover everything - *they don't*. The cost of just one incident could be financially devastating. GMS TravelStar® provides affordable emergency medical insurance with up to \$5 million in coverage for short and long-term trips.

Is your dream vacation insured?

Wherever your travel takes you – a tour of exotic ruins, family holiday or Snowbird winter getaway – it's important to know that if you miss your flight, your tour company goes bankrupt, or your luggage is lost, your vacation is not over. TravelStar® can protect you with flexible cancellation, interruption and baggage coverage – *even for your golf clubs!*

When you need assistance, who do you call?

Coping with the unexpected when you're away from home is stressful, especially when it's a medical emergency. With TravelStar® you're just a phone call away from a friendly voice and 24-hour worldwide assistance.

Single Trip Daily Emergency Medical Travel Insurance

TravelStar® Single Trip Daily protects you in the event of medical emergencies when you're travelling out of province or out of Canada. It provides up to \$5 million coverage for a complete complement of emergency benefits. Travel for short and long-term trips, with no age restrictions, direct payment to health providers and 24-hour worldwide travel assistance. TravelStar® is the perfect choice for Canadian Snowbird travellers!

Multi-Trip Emergency Medical Travel Insurance

A great plan for business and casual travellers! The Multi-Trip Annual Travel plan provides emergency medical coverage for travel outside your province or outside Canada for trips under 15 or 30 days. Buy it once and take as many trips as you want in a year.

Trip Cancellation & Interruption

Unexpected events may force you to cancel your trip or change your return date. When that happens, you'll be happy to have TravelStar® Trip Cancellation & Interruption insurance. GMS covers you prior to and after departure in the event of medical emergencies, cancelled business meetings, weather delays, default of travel suppliers and more. Upgrade to include coverage for Trip Delays.

Baggage Loss, Damage & Delay

Lost, stolen or damaged baggage, belongings and currency can be a major problem when travelling. TravelStar® Baggage insurance, now with upgrades for per-item limits, helps streamline the process of replacement and reimbursement and includes coverage for when belongings are delayed to your destination.
