XII. GENERAL CONDITIONS

All of the following conditions apply to all coverage under this *policy* and to all optional coverage available under this *policy*.

1. *Your* coverage will be declared null and void if, for any reason:
 - a. The required *premium* is not received by *us*;
 - b. *You* are ineligible for coverage in accordance with any section of this *policy*; or
 - c. *You* have incompletely or falsely provided information on *your* application or medical questionnaire.
2. Canadian Currency: All benefits, benefit limits and all other amounts expressed in this *policy* are expressed in Canadian currency, except any deductible which is expressed in US dollars. Where covered losses are billed in foreign currency, the rate of exchange is based on the rate effective on the date when *we* pay the claim. No sum payable shall bear interest. To facilitate direct payment to providers, *we* may elect to pay the claim in the currency of the country where the charges were incurred based on the rate of exchange established by any chartered bank in Canada:
 - a. On the last date of service; or
 - b. On the date the claim was incurred if a cheque is issued directly to *physicians, hospitals* or other medical *providers*.
3. If *you* are covered under more than one of *our* *policies*, or have similar coverage with another insurance company, the total amount paid to or for *you* will not exceed *your* actual expenses and the maximum to which *you* are entitled is the largest amount specified for that benefit.
4. The coverage outlined in this *policy* is last payor only. If, at the time of loss, *you* have insurance from another source, or if any other party is also responsible, to pay for benefits also provided under this *policy*, *we* will pay eligible expenses only in excess of those covered by that other insurance company or insurance companies or other responsible party or parties, including insurance plans provided through credit cards, third party liability, group or individual basic or extended health insurance plans or contracts including any private or provincial or territorial auto insurance plan, providing *hospital*, medical or therapeutic coverage, or any third party liability insurance in force concurrently with this *policy*.
5. In the event of a payment of a claim under this *policy*, *we* have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this *policy*. *You* will execute and deliver documents as necessary and co-operate fully with *us* so as to

- allow *us* to fully assert *our* rights. *You* will do nothing to prejudice such rights.
6. *We* have full rights of subrogation; however, *we* do not subrogate against any retiree plan benefit if the lifetime maximum limits for all in-country and out-of-country benefits is \$50,000 or less.
7. Notwithstanding any provision of this *policy*, this *policy* is subject to the statutory conditions of the Insurance Act applicable to contracts of accident and sickness insurance and the laws and regulations in *your* home province. The laws and regulations of the province or territory in Canada in which *you* normally reside govern this *policy* and any provision in this *policy* which is in conflict with any such statute is hereby amended to conform to such statute.
8. The maximum period of coverage under this *policy* shall not exceed 12 months. Benefits only apply (except for Trip Cancellation Coverage) outside *your* home province. No coverage will be provided to or for anyone not named on the *confirmation of insurance*.
9. In the event that *you* are found to be ineligible for coverage or that a claim is found to be invalid or benefits are reduced in accordance with any *policy* provision, *we* have the right to collect from *you* any amount which *we* have paid on *your* behalf to medical *providers* or other parties.
10. *Your* *policy* will be declared null and void in the case of fraud or attempted fraud by *you*, or if *you* conceal or misrepresent any material fact or circumstance concerning this insurance.
11. During the claims process, *we* may require *you* to have a medical examination by one or more *physicians* chosen by *us* and at *our* expense.
12. *We* are not responsible for the availability, quality or results of any medical *treatment*. *We* are not responsible for any transportation arranged by *us*. *We* are not responsible for *your* failure to obtain medical *treatment*.
13. *You* must, at all times while *you* are covered under this *Policy*, act in a prudent manner so as to minimize costs to *us*.
14. If *your* health status changes (including a change in *prescription medication* or *treatment*) prior to departure for any *trip*, *you* must notify *us* immediately. At *our* sole discretion, *we* may opt to waive the exclusion that precludes *your* unstable medical condition from coverage. This would allow *you* to continue with *your* trip and retain coverage for *your* medical condition.

15. Any reference to age in this document is specific to *your* age on the date *you* apply for insurance.
16. The coverage provided by this *policy* shall be null and void for travel in, to, or through Cuba, because such travel is not serviced and supported by the Insurer's United States affiliates.

XIII. MAXIMUM LIMITS OF LIABILITY

7. The *follow-up treatment* of any heart or lung condition, following *emergency treatment* for a related or unrelated heart or lung condition during *your trip* if the medical advisors, and *we*, determine that *you* were medically able to return to *your home province* and *you* chose not to return;
